Activity

“Awareness of women’s right” by Dr. Mrs. Kiran Rahangdale”

The Women’s Grievance Redressal Committee of Nagarjuna Institute of Engineering Technology, Management takes step to educate female students as well as female staff of the institute on safety, hygiene and health. In this order Women’s Grievance Redressal committee organized a guest lecture on awareness of women’s right” by Dr. Mrs. Kiran Rahangdale. About 112 girl students and female staff members were present for the lecture. Mrs. Rahangdale discussed about various policies, safety Acts & measures available the female fraternity. The Speaker also requested students to know their rights, fulfill their duties without misusing the governance.
