

Student Council

The Student Council is a standing committee of the Educational Advisory Council (EAC), formed to review and recommend policies and procedures that directly affect student life at NIETM. The tasks of the Student Council are to review and recommend policies which affect the academic life of students; review and revise the Student Rights and Responsibilities policies; review and propose improvements to student service areas and procedures; and make recommendations to the EAC.

The Student Council is committed to the well being of students who are enrolled at NIETM. Its objective is to promote responsiveness, representation, and communication regarding student development in relation to the college community.

Objectives

- To initiate, implement, and complete projects and activities which will be of help to the institute, the students, the faculty, the administration, the Board of Trustees and the community.
- To encourage personal growth of leaders through participation in district, state and national meetings and organizations.
- To provide a living workshop of democratic processes, through such activities as elections, participation in a constitutional representative assembly, etc.
- To provide a viable means for student expression and an increasing amount of self direction.
- To improve understanding between and within groups through interaction and communications.
- To develop student potential and encourage to make a well-informed, honest, interested and active citizenship.
- To develop not only leadership abilities within the youth of today, but also leadership for the community, state and nation of tomorrow.
