## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. (Write description within 200 words.)

Internal assessment in college is so transparent that every student has an idea about the standard internal evaluation process of the theory /practical subjects. The institute follows the regulations of RTM Nagpur University and internal assessment is carried out in a systematic manner for theory, practical and project work. The RTMNU has two set of Programs i.e. BE(CBS) & BTech (CBCS) from new curriculum (2020-21). The Assessment of BE (CBS) pattern is of 80:20 ration which consists of theory and internal assessment marks, whereas in BTech (CBCS) it is 70:30 theory examination and internal assessment marks. It also consists of Practical which includes 25 marks internal and 25marks external as well. The evaluation of practical is based on their performance and viva voice in which technical questionnaire is carried as a practice. The evaluation is based on the regular co-curricular activities as per the academic calendar such as test, assignments, mini projects, sessional examination & seminars etc. The College organizes orientation programs for students to make them acquainted with the rules and regulations of the affiliating university, examinations, evaluation process, and extra-curricular activities etc.

All examinations are conducted as per academic calendar. All examination Marks will be displayed in the department notice boards in advance.
