Women are strong, powerful and invincible. With thousands of mantras encouraging women's existence every day, a special day is indeed a necessity to celebrate women's achievements in all aspects of life. Whether she's a teacher, homemaker, economist, engineer or pioneer, women have been making the world a better place with their infinite strength, determination and belief. With power enough to shatter the shackles of patriarchy, women are rising above societal hurdles every single day, making them a stronger force to reckon with, in modern times. This International Women's Day, we are celebrating and rejoicing the social, economic, cultural and political achievements of women all over the world. The day also marks a call to action for accelerating gender parity. As all women come together, significant activity is witnessed worldwide to celebrate women's achievements or rally for women's equality.

Here are the pictures below.

The nss volunteers are explained about independence day to all our college students and teaching staff. Here are the few words about the independence day that are explained about

Constitution Day (IAST: Samvidhāna Divasa), also known as "National Law Day", is celebrated in India on 26 November every year to commemorate the adoption of the Constitution of India. On 26 November 1949, the Constituent Assembly of India adopted the Constitution of India, and it came into effect on 26 January 1950.

The Government of India declared 26 November as Constitution Day on 19 November 2015 by a gazette notification. The Prime Minister of India Narendra Modi made the declaration on 11 October 2015 while laying the foundation stone of the B. R. Ambedkar's Statue of Equality memorial in Mumbai. The year of 2021 was the 131th birth anniversary of Ambedkar, who had chaired the drafting committee of the Constituent Assembly and played a pivotal role in the drafting of the constitution.^[1] Previously this day was celebrated as Law Day. 26 November was chosen to spread the importance of the constitution and to spread thoughts and ideas of Ambedkar. PM Modi Speech On National Law Day 2021, 26 November, and also The President, Vice President and Lok Sabha Speaker also addressed the program.
