Criterion No 7

Institutional Values and Best Practices

7.1.3 Waste Management Steps by the Institution

There are different types of wastes disposed of in the college for which there is a proper system functioning. The following wastes are being disposed by the college:

Solid waste management

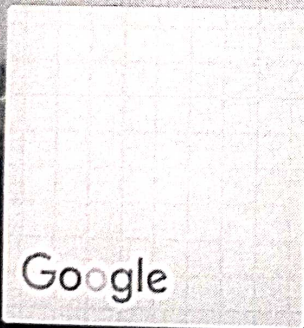

Separate dust-bins are provided for collecting dry and wet garbage. The cleaning services in the campus are outsourced. The garbage is collected by housekeeping personnel everyday and it is properly disposed off into the dustbins. The waste is segregated at the source itself by providing separate dustbins for Bio-degradable and plastic waste.
