2.	Online workshop on “Online applications of evolutionary computation techniques in power system”	4

6.5.2 The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms.

Teaching plans are prepared for an odd & even semester which are verified and checked at different stages in accordance with the syllabus and scheme of examination given by RTMNU, Nagpur. With the support from the qualified, trained and experienced faculty members facilitates the teaching-learning process. Along with the classroom studies, students are encouraged to use library and internet facilities available in the institute. The records and logs of daily instructions delivered, classes and practical are conducted and other Co-curricular activities performed are maintained by the faculty members. The extra lecture for slow learners, seminar, workshops, expert lectures from industry resource persons are properly informed and recorded to concerned authorities. The review is taken on a regular basis for the effectiveness of the teaching-learning process.

The institutional reviews and implementation of teaching learning reforms facilitated by the IQAC are based on the following two examples:

1. Student's feedback
2. Results of Internal tests

Online applications of Evolutionary Computation Techniques in Power System

July 10 - July 17, 2020

This Certificate is Proudly presented to

Prof. Manish Thool

for completing Online applications of Evolutionary Computation
Techniques in Power System organized by Department of
Electrical from July 10- July 17, 2020.
