DEPARTMENT OF MECHANICAL ENGINEERING

MINUTES OF MEETING

A meeting was held at HOD cabin on 28/09/2021 to finalize the add on program to be offered for the current academic year to bridge the gap identified in the curriculum. All the faculty members of Department of Mechanical Engineering, IQAC coordinator, and Training & Placement coordinator were present in the meeting.

After analyzing the feedback received from various stakeholders like students, faculty, alumni and employers, the gap in the university curriculum has been identified. Further, the discussion was held on the selection of add on program at par with standards of premier institutes and industry expectations. The discussion ended with finalizing the following add on program for the academic year 2021-22.

Detail of Course (s)

Sr. No.	Name of Course (s)	Year/ Sem	Total No. of Hours	Date of Commencement	Co-Ordinator
1	Add on program on "CNC Programming"	For 3 rd and 4 th year Mechanical Engineering Students	30 Hours	01.10.2021 to 9.10.2021	Prof. Charlie Fulzele

Faculty members must be assigned and intimated at the earliest to design the curriculum for the specified add on program after getting approval from the principal.

1	Chapter 1	What Is Computer Numerical Control (CNC)?	2.5 Hour
	Chapter 2	Automation	2.5 Hour
2	Chapter 3	CNC Programming	2 Hour
	Chapter 4	CNC Codes	2 Hour
3	Chapter 5	Difference Between NC and CNC	2 Hour
	Chapter 6	Tools used in CNC	3 Hour
4	Chapter 7	Axis used in CNC	3 Hour
	Chapter 8	Processes performed on CNC	2.5 Hour
5	Chapter 9	The benefits of CNC machining	2 Hour
	Chapter 10	Hardware used for CNC machining and companies providing it	2.5 Hour
6	Chapter 11	Software used for CNC machining and companies providing it	2 Hour
	Chapter 12	CNC vs. DNC	2 Hour
7	Chapter 13	Advantages and Disadvantages of CNC	2 Hour

CIRCULAR

All the students of 3rd and 4th year Mechanical Engineering department are hereby informed that Department of Mechanical Engineering is conducting an add-on training programme scheduled from 01-10-2021 to 09-10-2021 entitled "CNC Programming". This course is scheduled for a total of 30 hours.

It's a Add-on course and the certificates will be provided to participants at the end of this course. The certificates will be provided only to those students who will be successfully complete the course with a **minimum attendance criterion of 75%**.

MINUTES OF MEETING

A meeting was held at HOD cabin on 30/12/2021 to finalize the add on program to be offered for the current academic year to bridge the gap identified in the curriculum. All the faculty members of Department of Electrical Engineering, IQAC coordinator, and Training & Placement coordinator were present in the meeting.

After analyzing the feedback received from various stakeholders like students, faculty, alumni and employers, the gap in the university curriculum has been identified. Further, the discussion was held on the selection of add on program at par with standards of premier institutes and industry expectations. The discussion ended with finalizing the following add on program for the academic year 2021-22.

Detail of Course (s)

Sr. No.	Name of Course (s)	Year/ Sem	Total No. of Hours	Date of Commencement	Co-Ordinator
1	Add on program on "Electrical Load Estimation and Designing"	For 2 nd , 3 rd and 4 th year Electrical Engineering Students	30 Hours	03.01.2022 to 10.01.2022	Prof. Ashwini Walde

Faculty members must be assigned and intimated at the earliest to design the curriculum for the specified add on program after getting approval from the principal.

DEPARTMENT OF ELECTRICAL ENGINEERING CIRCULAR

All the students of 2nd, 3rd and 4th year Mechanical Engineering department are hereby informed that Department of **Electrical Engineering** is conducting an add-on training programme scheduled from 03-01-2022 to 10-01-2022 entitled "**Electrical Load Estimation and Designing**". This course is scheduled for a total of **30 hours**.

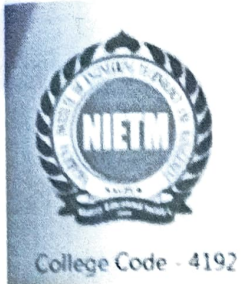

It's a Add-on course and the certificates will be provided to participants at the end of this course. The certificates will be provided only to those students who will be successfully complete the course with a **minimum attendance criterion of 75%**.

MINUTES OF MEETING

A meeting was held at HOD cabin on 04/02/2022 to finalize the add on program to be offered for the current academic year to bridge the gap identified in the curriculum. All the faculty members of Department of **Humanities and Science**, **IQAC coordinator**, and **Training & Placement coordinator** were present in the meeting.

After analyzing the feedback received from various stakeholders like students, faculty, alumni and employers, the gap in the university curriculum has been identified. Further, the discussion was held on the selection of add on program at par with standards of premier institutes and industry expectations. The discussion ended with finalizing the following add on program for the academic year 2021-22.

Activity Report

Title	Add on Program on "Structural Design of Foundations for Structures"
Name of Activity	Add on Program
Date	From 18.10.2021 to 26.10.2021
Duration	30 Hrs.
Venue	Seminar Hall
Organized by	Department of Civil Engineering
Program Coordinator	Prof. Aatif Nawab
Resource Person	Dr. Anuj Kumar Sharma
Participated by	153 Students
Program Objective	<ul style="list-style-type: none">To produce a structure capable of resisting all applied loads without failure during its intended life.To determine the effect of loads on the physical structures and their components.To ensure the safety of the structure and to acquire economic dimensions of the design.
Program Outcome	The students will be able to: <ol style="list-style-type: none">Design the various structural steel members and connections.Apply the principles, procedures and Codal requirements to the analysis and design of tension members, compression members, bases, beams, and connections.

MINUTES OF MEETING

A meeting was held at HOD cabin on 16/10/2021 to finalize the add on program to be offered for the current academic year to bridge the gap identified in the curriculum. All the faculty members of Department of Civil Engineering, IQAC coordinator, and Training & Placement coordinator were present in the meeting.

After analyzing the feedback received from various stakeholders like students, faculty, alumni and employers, the gap in the university curriculum has been identified. Further, the discussion was held on the selection of add on program at par with standards of premier institutes and industry expectations. The discussion ended with finalizing the following add on program for the academic year 2021-22.

Detail of Course (s)

Sr. No.	Name of Course (s)	Year/ Sem	Total No. of Hours	Date of Commencement	Co-Ordinator

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING**MINUTES OF MEETING**

A meeting was held at HOD cabin on 20/11/2021 to finalize the add on program to be offered for the current academic year to bridge the gap identified in the curriculum. All the faculty members of Department of Computer Science & Engineering, IQAC coordinator, and Training & Placement coordinator were present in the meeting.

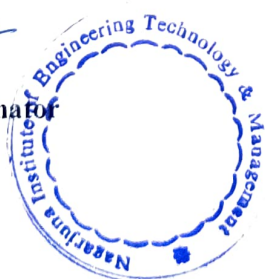

After analyzing the feedback received from various stakeholders like students, faculty, alumni and employers, the gap in the university curriculum has been identified. Further, the discussion was held on the selection of add on program at par with standards of premier institutes and industry expectations. The discussion ended with finalizing the following add on program for the academic year 2021-22.

Detail of Course (s)

Sr. No.	Name of Course (s)	Year/ Sem	Total No. of Hours	Date of Commencement	Co-Ordinator
1	Add on program on "C++ and Python"	For 2 nd , 3 rd and 4 th year Computer Science & Engineering Students	30 Hours	22.11.2021 to 29.11.2021	Prof. Pawan Raut

Faculty members must be assigned and intimated at the earliest to design the curriculum for the specified add on program after getting approval from the principal.
