6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The Nagarjuna Institute of Engineering Technology and Management believes in decentralization of administration and transparency of governance. The NIETM has a practice of participative management at all levels of decision-making. It gives all employees and stakeholders a chance to be involved in the decision-making process. All issues are debated and decisions are taken based on the suggestions of several Statutory and Non-Statutory committees, which include teaching and non-teaching personnel, students, parents, alumni, and the employer, among others. The Management representative also adopts a practical way of giving responsibilities to a person to enhance their leadership capabilities. To ensure the institute's smooth operation, all members meet on a regular basis to debate and take the required actions to design and implement the institution's strategic plan

Academic Decentralization

-At the faculty and department levels, there are bodies such as the Board of Studies, Academic Committee, Research Committee, and others that work together to make academic and research-related decisions. The participatory nature of Institute management is reflected in the composition of these organizations. Academic Monitoring Committee (AMC) , AMC is the centralized committee responsible for drafting, regulating and implementing different academic policies. It is meant for smooth uniform conduction of academics throughout the institute. AMC is headed by Chairman who is the principal of the institute AMC monitors the teaching learning process. It prepares the academic calendar of the institute which is a reflection of University's academic calendar that includes curricular, co- curricular and extracurricular activities. Academic Calendar is meticulously planned and prepared in advance by Academic Coordinator and ensures the proper implementation of the academic calendar. Also, they are appointed as coordinators and conveners for organizing seminars/workshops/conferences/FDP. For the effective implementation and improvement of the institute, various committees are formed. Other units of the institute like sports, library, store, etc. have operational autonomy under the guidance of the various committees/cells. Academic Calendar is meticulously planned and prepared in advance by Academic Coordinator and ensures the proper implementation of the academic calendar. Academic Coordinator is responsible for confirmation and observation of academic activities. Academic Coordinator confirms lab and course file audit, does the counseling, takes action against findings, issues appreciation and show cause notice and gives input to IQAC. AMC does random confirmation of attendance once in a month, ensures student and faculty uniform and ID card and takes action on defaulter students and gives feedback to Principal.

Participative Management

The institute promotes a culture of participative management by involving the staff and students in various activities. All decisions of the institution are governed by the board of management. Both students and faculty members are allowed to give suggestions to improve the excellence in any aspect of the Institute

At the functional level, the faculty members participate in sharing their knowledge by discussing the latest trends in technology and the academic progress of students. Staff members of the audit department and institute are involved in the preparation of the annual budget for the institute

All HOD prepare financial budget of their department at the beginning of the year by using this, the office administrative head prepare financial budget of college. The management approved budget and necessary action is carried out.
