SUMMARY

Teaching plans are prepared for an odd & even semester, which are verified and checked at different stages per the syllabus and scheme of examination given by RTMNU, Nagpur. Support from qualified, trained, and experienced faculty members facilitates teaching-learning. Along with classroom studies, students are encouraged to use the library and internet facilities available in the institute. The records and logs of daily instructions delivered, classes and practices are conducted, and the faculty members maintain other Co-curricular activities performed. The extra lecture for slow learners, seminars, workshops, and expert lectures from industry resource persons is adequately informed and recorded to concerned authorities. The review is taken regularly for the effectiveness of the teaching-learning process.

The institutional reviews and implementation of teaching-learning reforms facilitated by the IQAC are based on the following two examples:

1. Monthly Attendance
2. Syllabus Coverage Report
