Duration	(1 day webinar) 15/12/2021
Nature of Activity	Online

Online Webinar of F6 Design Solution & Training Institute

Department of Civil, Mechanical & Electrical Engg of NIETM organized a one day webinar to F6 Design Solution & Training Institute, Acharaj Tower Nagpur as a part of industrial exposure to students. 50 students of Civil, EE, Mech has joined the online seminar under the guidance of Prof. S.B.Thakre & Prof. M.Aatif.

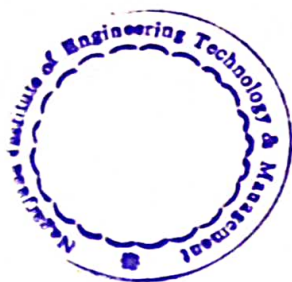

Mr. R. Ramteke & Ms. Neha Kamdi expert faculty of F6 Design Solution explained well about the software used for coding and development of software. Students take intership of about 6-7 month under the banner of F6 Design Solution.

In this webinar he also explained about industries which are working on various softwares and the current market scenarios latest most demanding technologies and selection of softwares for using in software companies. Also he motivated the students to select their domain and area of interest. He also guided the students to select areas like Revit MEP, E-TAP, STADPRO, CNC Programming, PSIM, AutoCAD and other testing etc softwares and explained about the importance of current software market.

Objective:

The objective of the Webinar are:-

1. Softwares used in IT industry.
2. New innovative technology used in IT sectors.
3. Software testing and various other courses and their applications

Subject: Requesting the collaboration for the students training and enhancement.

Dear Sir/Madam,

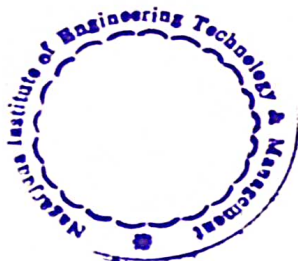

Nagarjuna Institute of Engineering ,Technology & Management has come a long way in its journey of delivering quality higher education at affordable fees. NIETM is leading higher education provider that offers world-class education and endless placement opportunities to the students.

We aim to establish a long-term relationship with the collaboration of industry so that we remain the major source of providing technocrats and management professionals on a sustained basis.

We are confident that with the collaboration of your esteemed organization, our students can nurture their skills and develop a better understanding of the corporate environment and in turn, they will get motivated to do their best for the organization also. We shall feel obliged if you kindly permit us to collaborate with your esteemed organization

With Warm Regards,

Yours Truly.
