These courses aim to provide additional competencies not covered in the main curriculum but valuable in the professional world. Hence, the HEI is requested to provide a mapping of the VACs with the core courses to accurately classify them as VACs of that specific course.</p>	<p>This is to clarify that, All the VACs Considered are unique in nature and having different Course Content/ Course Duration/ Code etc..</p> <p>The links containing the support documents as sought by DVV is given in the below table for kind approval.</p>
