DVV Clarifications	HEI Response
<p>A> For the reason marked earlier in EP 2.1, the values have been updated. HEI has not submitted the data in an appropriate manner, which should have been year-wise, and rendered the data insufficient to draw something conclusive. The HEI is required to submit the following documents in the specified order for the top eight full-time teachers listed under EP2.1. The documents must be provided through three separate links, each dedicated to the following sets of documents: a. Joining letter b. Relieving letter (if applicable) c. E-salary slip for June 2023 (if the teacher is currently employed); otherwise, the e salary slip for the last month of service</p> <p>B> HEIs may issue a rebuttal if it believes any teacher mentioned in the data template has been excluded/included erroneously from this recommended pool of full time teachers, supported with the above-mentioned documents for each such teacher.</p>	<p>The links containing the support documents as sought by DVV is given in the below table for kind approval.</p>
