2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. (Write description within 200 words.)

The institution strictly follows the evaluation process approved by the Rashtrasant Tukdoji Maharaj Nagpur University. The evaluation weightage is 20% for continuous internal assessment test and 80% for the end-semester examination by University. The institute has taken following processes for the effective execution of evaluation reforms introduced by the University. The academic calendar for each semester is prepared by the IQAC cell with the University schedule of events, which provides the information on scheduled time table for class test, internal assessment, retest, model examination and the tentative schedule of University examinations. The staff members and students plan the course of action. The institute has faculty coordinator from each department for smooth conduct of examination. Internal monitoring team involving senior faculty members is assigned by the institution head to ensure effective conduct of exams. The students are given privilege to review their evaluated answer copy and discuss the same with concerned faculty and if the student still not satisfied the answer copy is evaluated by the senior faculty and the concerned student are fully satisfied. Internal mark is based on class test, internal assessment and assignment and the subject VIVA.

Internal assessment in college is so transparent that every student has an idea about the standard internal evaluation process of the theory /practical subjects. The institute follows

the regulations of RTM Nagpur University and internal assessment is carried out in a systematic manner for theory, practical and project work. The RTMNU has two set of Programs i.e. BE(CBS) & BTech (CBCS) from new curriculum (2020-21). The Assessment of BE (CBS) pattern is of 80:20 ration which consists of theory and internal assessment marks, whereas in BTech (CBCS) it is 70:30 theory examination and internal assessment marks. It also consists of Practical which includes 25 marks internal and 25marks external as well. The evaluation of practical is based on their performance and viva voice in which technical questionnaire is carried as a practice. The evaluation is based on the regular co-curricular activities as per the academic calendar such as test, assignments, mini projects, sessional examination & seminars etc. The College organizes orientation programs for students to make them acquainted with the rules and regulations of the affiliating university, examinations, evaluation process, and extra-curricular activities etc.

All examinations are conducted as per academic calendar. All examination Marks will be displayed in the department notice boards in advance.
